# LIGHT UP THE NIGHT

## LIGHTING PRODUCTS

IMPROVED LIGHT OUTPUT. Our patented White and IR LED lighting products offer longer service life and improved visibility while using night vision products. The High Intensity Discharge (HID) lamps are easy on the eyes emitting a brighter, whiter light.

## 360° SITUATIONAL LIGHT KITS

EXPERIENCE YOU CAN COUNT ON. When it came to developing 360° Situational Lighting, Ibis Tek was the first name to come to mind. We adapted proven technologies to enhance light coverage improving situational awareness.
